*Consult not your fears but your hopes and your dreams. Think not about your
frustrations, but about your unfulfilled potential. Concern yourself not with what
you tried and failed in, but with what it is still possible for you to do.*

Pope John XXIII

Dear CWL Sisters.

Traditionally we are getting set to prepare our activities after the summer holiday. COVID has altered the way we are/will be doing things. Linda Squarzolo, our Provincial Organization Chairperson has provided us with information to guide us as we proceed forward.

Online Meetings

Some groups have been having "teleconference gatherings", either over the internet or on telephone calls. Some business can happen this way but decisions must be ratified (motion made and voted on) when you meet "in person".

In-Person Meetings

Parish councils can begin meeting in person again but must honour all local public health and parish protocols. **Each council will decide when it is safe** for them to resume. The grassroots will be leading the way.

National Annual Reports

National Annual Reports will be included in the "fall parish council mailing" so every parish council will be receiving a hard copy in the next few weeks.
