Dear Presidents and Organization Chairpersons,

I am including all the information I received this week from Colleen Perry (Directive 7). It is all from Colleen. I have just renamed it Directive 5 from me.

It is very important that you read it thoroughly. It has a lot of information in it.

Please fill out all the reports even if you do not have a chairperson for each committee. I hope that 100% of our councils participate this year.

I am here to help you if you are having problems. Please let me know and I will do what I can to assist you. My phone number is 705-268-0976 and my email address is igregorcicCWL@outlook.com . If you want me to call you, just let me know.

Presidents or membership people please pass on your council code to your chairpersons if they don't know it. They will need it to fill in their reports.

If you have had an election please make sure this information gets to the proper person. Thank you.

Your sister in the league,

Irene Gregorcic

Timmins Diocesan Organization Chairperson

Although national office is using a different software program this year, the surveys will look and "feel" like last year's version. This year there has been a change where you will be able to complete the online surveys on a computer, a tablet or a phone. You will still be able to log on to the reports as many times as you need to complete the report, however once you submit your report there is NO way for national office to allow you to make any changes. **Please double check and print your report before submitting it.**

An additional change this year is that you will not need a password. When you enter the survey, you will be prompted for a User ID. User ID's for this survey will be your council code. Council codes can be found on the membership packages that are being sent out this month, OR you can call national office and we will be happy to help you.

There are several buttons on the bottom of the screens to help you navigate the survey.

← Back - This will take you back one screen

↻ Clear - This will clear the answers from the page

⏪ Reset - This will erase all your answers and start from the beginning

🖨️ Print - Print a copy of your survey for your records (ensure you allow for pop ups) **PLEASE PRINT BEFORE SUBMITTING. YOU CANNOT ACCESS THE PRINT FUNCTION AFTER THE SURVEY IS SUBMITTED.**

💾 Save - Saves your work to date on the website so you can access it later. This feature allows you to complete the survey over several sessions. Save DOES NOT submit the completed survey to national office.

→ Forward -This will take you to the next page

↓ Submit - This will mark the survey as complete and submit the survey to national office. **PLEASE MAKE SURE THAT THE SURVEY REFLECTS EXACTLY WHAT YOU WANT IT TO SAY. NATIONAL OFFICE Will NOT HAVE THE ABILITY TO RESET OR DELETE SURVEYS AFTER THEY ARE SUBMITTED. WE STRONGLY RECOMMEND YOU PRINT, SAVE AND REVIEW YOUR PAPER COPY FIRST. THEN RE-ENTER, MAKE ANY NECESSARY CHANGES AND, ONCE YOU ARE SATISFIED, PRESS SUBMIT.**

If you would prefer to fill out the reports on paper, please contact national office and they will be happy to send you a link to a printable copy of the surveys. It is VERY important that you complete the survey on the copy that you have **printed directly from the pdf file.** Do NOT circulate photocopies or photocopy the surveys and send in the copies. For your voice to be heard, the clean, unfolded paper copies must be mailed back to national office and then scanned into the survey system when they arrive. The slightest distortion that occurs when the survey is photocopied, folded or marked in any way will impede the smooth processing of these documents.
